KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

"I just wanted it to accurately reflect that there is one way to heaven."

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

John Wesley Quotes

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

that there is one way to heaven."

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay
Executive Director

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

John Wesley Quotes

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

"I just wanted it to accurately reflect that there is one way to heaven."

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay
Executive Director

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

John Wesley Quotes

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

John Wesley Quotes

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

"I just wanted it to accurately reflect that there is one way to heaven."

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

John Wesley Quotes

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

that there is one way to heaven."

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay
Executive Director

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

John Wesley Quotes

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

"I just wanted it to accurately reflect
that there is one way to heaven."

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

We take an offering for Gil's Hills Ministry on the last Sunday of each month.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

Scott M. Szalay

That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

Blessings,
Pastor Becky

- ◆ I build on Christ, the rock of ages; on his sure mercies described in his word, and on his promises, all which I know are yea and amen.
- ◆ I have seen (as far as it can be seen) many persons changed in a moment from the spirit of horror, fear, and despair to the spirit of hope, joy, peace; and from sinful desires, till then reigning over them, to a pure desire of doing the will of God.

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!

What's Happening "Between the Hills"
(from the Gil's Hills September 2026 Newsletter)

What an amazing summer season God has blessed the ministry with. As you saw in the previous newsletter, camps were amazing! That was followed with a leadership retreat to Lake Placid for the staff, and selected kids demonstrating potential to be future staff. To qualify, kids must demonstrate respect, responsibility and a desire to grow in their faith in Jesus. Before I get too far, I would like to shout out a big Thank You to Lake Placid Baptist Church, who for half a decade now has provided us with a place to stay that suits our needs perfectly, at an extremely reasonable cost. Without God's provision through that ministry, these adventures may not have been possible. On this year's trip, we returned to the plan of climbing Cascade Mountain (one of 46 peaks in the Adk over 4000ft of elevation). The Journey was challenging as we ascended nearly 2000 feet in 2.5 miles, in wetter conditions than we had faced in the past. Despite the conditions, ascension was quick, setting record pace for the group even with stopping and reflecting on the beauty in the challenges around us. When we reached the top, we were rewarded with the feeling of accomplishing something so challenging as a team. However, the beauty of a visual mountain top experience escaped us as the clouds and rain moved in while we were ascending the final 300 feet. We did not let this discourage us at all, and instead reflected on how, while mountain top experiences are great and we can expect more in the future, life is really done and done well finding the blessings in the journey!

Now we are prayerfully anticipating the upcoming club season. Thank you for your prayers and support. Without you we could not do what we do!!!

Blessings,

KNOWING JESUS AS THE
GOOD SHEPHERD & SHARING
THE RISEN CHRIST WITH ALL.

Choices

2 Timothy 4:7–8 says, “**I have fought the good fight, I have finished the race, and I have remained faithful. And now the prize awaits me—the crown of righteousness, which the Lord, the righteous Judge, will give me on the day of his return. And the prize is not just for me but for all who eagerly look forward to his appearing.**”

This is what every believer longs to say at the end of their life. Unfortunately, to be able to say this at the end of our lives, it must also be true now.

There is a single-mindedness in these words that is tough to carry out in a world that continually throws up obstacles to faith. We want everything the world has to offer and often push the Lord to the side. We don't intend to put other things first for long, but months turn to years, and the focus and discipline that reveals faithfulness continues to slide down the priority list. **Faithfulness requires tough decisions.**

Have you lost your focus? Has your attendance at worship become sporadic? Is your Bible reading occasional? Has prayer become a concept rather than a regular practice? Are you fighting the good fight or are you coasting?

At the end of our lives, we will not wish we had worked more, been involved in more activities, or made more money. We will wish we had a better relationship with the Lord and passed on the heritage of faith to our family and friends. To avoid regret then . . . we must make changes now. Why not make it a priority to come to church? Here at Cuba Methodist Church we have Sunday school at 9:30 a.m. and worship at 11:00 a.m. We are all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So, if this is your first time in church, we hope that you get to know Him as we do, because He is truly what life is all about for us! And we are all about people. Every person who walks through our doors is important to us! Hope to see you soon!
